### **Sex and Love Addicts Anonymous**

We find a common denominator in our obsessive, compulsive patterns which renders any personal differences of sexual or gender orientation irrelevant

We have meetings in both the **greater metro Phoenix** and **Prescott** areas.

We cordially invite the general public, newcomers, and beginners to any of our meetings listed as open.

We suggest, generally, that you attend at least 6 meetings before deciding if this Fellowship is or is not right for you.

## Central Arizona Intergroup S.L.A.A. Meeting List

July 2011

Sex and Love Addicts Anonymous is a fellowship of men and women who help each other to stay sober. They offer the same help to anyone who has an addiction with sex and/or love and wants to do something about it. Since S.L.A.A. members are all addicts themselves, they have a special understanding of each other and the disease. They know what the illness feels like and they have learned how to recover from it through S.L.A.A.

*Each group has but one primary purpose- to carry its message to the sex and love addict who still suffers.*

For the most current version of our meeting list please contact our website at: <http://www.slaa-arizona.org> or our informational phone line at: 602.337-7117

## Welcome Home!

Sex and Love Addicts Anonymous (S.L.A.A.) is a Twelve Step - Twelve Tradition oriented fellowship based on the model pioneered by Alcoholics Anonymous. One of the resources we draw on is our willingness to stop acting out in our own personal bottom line addictive behavior on a daily basis.
